Year	Overview	Autumn (Weeks 1 – 14) 7 Lessons		Spring (Weeks 15 - 25) 5 lessons	erm	Summer 1 (Weeks 26 - 38) 6 lessons
7	Introduction to the formal elements in art and artist's work. By the end of the year students will understand tonal and colour theory and demonstrate tonal values with a wide range of media, create basic mark making techniques to show texture, blend and mix acrylic and watercolour. They will learn how to draw from observation. They will understand the fundamentals of art, the formal elements and demonstrate this in an individual final response(s). Students are introduced to art movements and artists from a wide range of cultures. Students will understand the Key Concepts of Structure and Pattern in art and design and will have been introduced to Key Concept Meaning. Sainsburys Centre Trip	 Line Students explore line and alternative drawing practices through continuous line, creating observations of insects. Artists Picasso & Paul Klee Shape Students explore drawing with scissors in order to create mixed media observations in the form of collage. Artists Matisse Tone & Form Students investigate tonal theory and experiment with different methods of applying shading. Students render 3D shapes using graphite and charcoal. Students are introduced to the grid method. Artists Kathe Kollwitz & William Kentridge 	actical elements assessing knowledge retained over the first term	Colour Theory Students are introduced to the colour wheel and its purpose. They begin to develop an understanding of complementary and harmonious colours. Students experiment with colour mixing and blending. Artists Johannes Itten & Beatriz Milhazes Texture Students look at creating realistic texture using coloured pencil. They then explore gestural marks and experiment with non-conventional mark-making using ink. Artists Cecile Baird & Van Gogh	al elements assessing knowledge retained over the first and second te	PatternStudents are introduced topattern, focusing on exploringzentangles.ArtistsThe Doodle ManCreating a Final PieceStudents design a polyprintincorporating the formalelements. This draws the threadsof their learning to a conclusionas well as retrieving knowledgegained from primary school(Caister Junior School)
8	Developing the formal elements, exploration of materials and media from 2D into 3D and the exploration of art from different cultures. By the end of the year students will have developed a broader range of drawing skills that stretch and challenge their creativity and developed a body of work to produce a final piece. They will begin to forge cultural and contemporary connections in Art and Design to their own work and use these to shape their work. They will understand the process of developing a design using primary and secondary sources and be able to hone their designs by refining their initial idea. Students will begin to experiment with media and techniques, understanding to select the appropriate processes and materials for their final piece. Students will have a solid understanding of the Key Concepts of Structure, Pattern, Meaning and Performance in art and design. Tate Modern Trip	 Surrealism Students are introduced to surrealism. They begin to develop an understanding of art movements and the diverse nature of what is considered 'art'. Research skills from year 7 are built upon and expanded to provoke deeper understanding of the context in which art exists. Still Life Students experiment with still life and first-hand observations. Photography Students are introduced to photography and create their own still life compositions. Students create their first photoshopped images. Artists Méret Oppenheim, Dali & René Magritte 	Key Stage 3 Formal Assessments – A paper with both theory and pr	 Frida Kahlo Students explore Kahlo's work, focusing on her connection to her culture and expression of her personal struggles. Mexican Art Students design a clay calavera that has a personal and meaningful connection. Student's explore symbolism as well as expanding on previous knowledge of coloured pencil rendering. Artists Frida Kahlo & Day of the Dead 	Key Stage 3 Formal Assessments – A paper with both theory and practi	Clay Calavera Students realise their design by using air drying clay to create a 3D skull. Students are introduced to clay properties, application of paint and finishes. Artists Jim Skull
